

## Vactor V.T. Seal

Vactor has developed the V.T. Seal (p/n 49388), a unique gasket designed to seal 8 inch flanged vacuum tubes to prevent leakage. The V.T. Seal has been formulated to withstand the harshest sewer cleaning environments. Designed to fit all Vactor 8 inch flanges. The V.T. Seal has increased vacuum which assists in the reduction of leaks.

### Specifications:

- Natural Rubber
- Triple Lock Seal
- Quick Seal
- Top Retaining Rib

### Applications:

- Heavy Debris
- Dense Silt
- Compact Sand
- Compressed Sludge

Effective 7/09  
Specifications subject to change  
without notice. Product photography  
may show optional equipment.
